- **Revenue** up 112.5% YoY and 20.8% HoH, reaching an all-time high for the company.
- **EBITDA** up 104.8% YoY and 56.2% HoH, supported by improved product mix and operational leverage.
- **PAT** up 81.4% YoY and 40.4% HoH, reflecting enhanced profitability across key verticals.
- **Receivables** reduced to INR 450 Mn in H1 FY26 versus INR 870 Mn in H2 FY25, demonstrating strong working capital discipline despite rapid revenue growth.
- **Improved cash flow generation and inventory efficiency**, positioning the company for sustainable scalability.

#### Key Business Highlights, Progress & Outlook:

##### Robust Order Book

- **Closing Order Book (as on 30<sup>th</sup> September, 2025) – INR 4,638.5 Mn (~3.0x of FY25 revenue)**

- The company's strong order book reflects a healthy and well-diversified mix across multiple sectors.

#### Key Contracts Secured in H1 FY26

- **INR 975.5 Mn ODM Contract with a Leading US Infrastructure Firm** - A landmark deal for Aimtron, demonstrating its capability to deliver IP-driven, high-value electronics solutions encompassing **design, prototyping, validation, and mass production** for global customers.
- **Domestic AI/IIoT Box-Build Order - 50,000 units worth INR 460 Mn**, with strong potential for multi-year scale-up as AI/IIoT adoption accelerates in India.

#### Fund Raise (Convertible Warrants on Preferential Basis)

- Aimtron Electronics successfully **raised INR 945.7 Mn**, witnessing a tremendous response from investors in August 2025.
- The proceeds from this fundraise are **being utilized to finance the company's greenfield expansion project under its 100% subsidiary, Aimtron Mechatronics Pvt Ltd** (*being set up to undertake activities relating to complete box-build and/or system integration as part of the Company's greenfield expansion strategy*).

#### Capacity Expansion (Greenfield)

- Construction underway for a **3-acre greenfield advanced facility**, featuring **6 SMT lines** (phased rollout) and a **dedicated ODM R&D zone** to support growing design-led manufacturing programs.
- The facility will significantly enhance capacity and enable faster turnaround for global clients.

#### Certifications & Market Access

- Received **AS9100D Certification in October 2025**, unlocking access to high-value global aerospace and defence markets.
- Recently secured a **major order from a Navratna PSU** in the electronic communication domain.

#### Commenting on the performance, Mr. Mukesh Jeram Vasani, Chairman & Director said,

*" FY26 marks an inflection point for Aimtron. Despite a challenging global environment, we achieved record growth while strengthening our position as a trusted design and manufacturing partner. The INR 975.5 Mn ODM contract with a US leader exemplifies our engineering depth and ability to deliver complete, IP-led solutions for global markets. With expanded capacity, certifications, and a growing ODM base, Aimtron is well-positioned for its next phase of growth"*
